Marvel Comics has joined Haynes and Top Trumps to create another exciting addition to the series of Top Trumps books! This fantastic series is based on the best-selling card game and provides detailed background information as well as all the facts and figures you come to expect from the original cards.

This pocket-sized guide will keep both kids and grown-ups quiet for hours. It is packed with fascinating facts and descriptions of 45 key characters from the Marvel Universe – Heroes and Villains alike. It is all beautifully illustrated using Marvel's stunning, instantly recognisable artwork.

Included in colourful detail are:

Classic Heroes:

Spider-Man - Daredevil - Captain America - Human Torch

Diabolical Villains:

Green Goblin - Doctor Doom - Doctor Octopus - Venom

Marvellous Mutants:

Wolverine - Colossus - Storm - Magneto

Marvel's Mightiest:

Hulk - The Thing - Thor - Galactus

Author, Tom O'Malley has been communicating all things Marvel to a young audience for five years.
